

Fox Trot Trail

at Sewerby Hall and Gardens

The Foxes of Sewerby Hall love a game of hide-and-seek. We have 20 here – all hidden in the Walled Garden. **Can you find them all?** Some are easier to spot than others, they're all busy doing different jobs!

Have fun and see what else you notice as you look for them!

Can you find... Tick off as you go!

What would you like to do when you are older?

Beware!

This is our home and we like living here so please don't be tempted to touch, move or try to take us home with you.

Foxes are more active from dusk onwards when they come out to look for food. Our foxes are here for you to find throughout the day. There are 20 in total in the walled garden. **How many can you find?**

Foxy Facts: Did you know?

Foxes live in towns and cities as well as in the countryside.

A fox can weigh up to 10kg – that's 4 large bags of potatoes! That's 10 bags of apples!

A fox can run as fast as 30 miles per hour.

Foxes live in family groups, with 4 to 7 cubs. How many 'cubs' live in your den?

Foxes live for 2 – 5 years in the wild and up to 14 years in captivity.

Foxes have amazing hearing – they can hear a watch ticking 36 metres away. They can also hear something moving underground.

A fox stands about 40cm high. Our family of foxes are each 30cm tall. How tall are you?

A fox's tail is called a brush and is nearly as long as its body.

Female foxes are called a vixen and male foxes are called a dog.

What's on the menu for foxes? Just about anything! Their diet includes: worms, berries, carrion, & food left by humans. So hold on tight to your picnic!
